

Special Dietary Needs Statement

- The Monroe Township School District Dietary Needs Statement: The district makes accommodations for children who are unable to eat the school meals because of a *disability that restricts their diet*. In order to make modifications or substitutions to the school meal, the district must have a written Medical Statement on file that is signed by a State recognized medical authority (licensed physician, physician assistant, certified registered nurse practitioner, or dentist). The statement must identify:
 - The child's disability
 - An explanation of why the disability restricts the child's diet
 - The major life activity affected by the disability
 - The food(s) to be omitted from the child's diet
 - The food or choice of foods that must be provided as the substitute
